

Collective Agreement Drafting and Review Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Collective bargaining and labor relations are at the heart of modern workforce governance, industrial harmony, and sustainable employment relations. This training course on Collective Agreement Drafting and Review is designed to equip participants with advanced competencies in labor law compliance, negotiation strategy, HR policy alignment, and dispute resolution frameworks. Collective Agreement Drafting and Review Training Course focuses on building strong technical capacity in drafting legally sound, enforceable, and strategically balanced collective agreements that protect both employer and employee interests while ensuring organizational productivity and compliance with national and international labor standards.

In an era of evolving gig economy regulations, workplace digitization, and labor rights activism, organizations must adopt a proactive approach to collective bargaining. This course integrates best practices in industrial relations, modern contract drafting techniques, stakeholder engagement strategies, and risk mitigation tools. Participants will gain hands-on expertise in reviewing and refining agreements to minimize conflict, enhance workplace stability, and support sustainable organizational growth through structured labor-management collaboration.

Programme Curriculum

Collective Agreement Drafting and Review Training Course

Introduction

Collective bargaining and labor relations are at the heart of modern workforce governance, industrial harmony, and sustainable employment relations. This training course on Collective Agreement Drafting and Review is designed to equip participants with advanced competencies in labor law compliance, negotiation strategy, HR policy alignment, and dispute resolution frameworks. Collective Agreement Drafting and Review Training Course focuses on building strong technical capacity in drafting legally sound, enforceable, and strategically

balanced collective agreements that protect both employer and employee interests while ensuring organizational productivity and compliance with national and international labor standards.

In an era of evolving gig economy regulations, workplace digitization, and labor rights activism, organizations must adopt a proactive approach to collective bargaining. This course integrates best practices in industrial relations, modern contract drafting techniques, stakeholder engagement strategies, and risk mitigation tools. Participants will gain hands-on expertise in reviewing and refining agreements to minimize conflict, enhance workplace stability, and support sustainable organizational growth through structured labor-management collaboration.
