

Complaint Handling and Service Recovery Techniques Training Course

Professional Development Training Course Outline

Category	Customer Service and Customer Experience	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's hyper-competitive business environment, exceptional customer service is a key differentiator. The ability to handle complaints effectively and implement robust service recovery techniques can transform dissatisfied customers into loyal advocates. Complaint Handling and Service Recovery Techniques Training Course equips participants with actionable strategies, practical tools, and real-world case studies to enhance customer satisfaction, mitigate risk, and drive brand loyalty. Emphasis is placed on proactive problem-solving, emotional intelligence, and strategic communication to ensure every customer interaction becomes an opportunity for improvement and retention.

Organizations increasingly recognize that a structured complaint management system is not just a reactive measure but a proactive business strategy. Employees trained in complaint handling gain confidence in managing challenging situations, reducing escalations, and preserving the organization's reputation. Through interactive sessions, role-plays, and scenario-based exercises, participants will develop advanced skills in conflict resolution, negotiation, and service recovery, ensuring measurable outcomes in customer satisfaction and loyalty metrics.
