Professional Development Training Course Outline

Category	Project Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Effective project management requires not only technical expertise but also strong interpersonal and conflict resolution skills. Conflicts in project teams, if unmanaged, can lead to missed deadlines, reduced productivity, and decreased team morale. Conflict Mediation for Project Management Leaders Training Course equips project management leaders with essential strategies, tools, and frameworks to identify, analyze, and resolve conflicts efficiently while maintaining a collaborative work environment. Participants will gain practical skills in negotiation, communication, and emotional intelligence to mediate disputes, enhance team cohesion, and drive project success.

In today's fast-paced project environments, leaders must navigate complex stakeholder dynamics, cultural differences, and competing priorities. This course emphasizes actionable techniques, real-world case studies, and interactive learning experiences to prepare project leaders for conflict situations. By fostering constructive dialogue and promoting consensus-building, participants will transform potential project risks into opportunities for team growth, innovation, and sustainable results.
