

ESG and Labour Rights Compliance Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Environmental, Social, and Governance (ESG) and Labour Rights Compliance have become critical business priorities across global supply chains, manufacturing industries, financial institutions, agribusiness, logistics, energy, construction, and service sectors. Companies failing to meet ESG and labour compliance obligations face growing risks including reputational damage, investor scrutiny, supply chain disruptions, legal penalties, ESG rating downgrades, and restricted market access.

ESG and Labour Rights Compliance Training Course equips participants with practical tools, risk mitigation strategies, sustainability reporting skills, and ethical business practices required to build resilient and responsible organizations. The course integrates emerging global trends such as climate governance, human rights due diligence, responsible procurement, social impact measurement, carbon accountability, ethical auditing, gender equity, stakeholder engagement, and corporate sustainability transformation.

Programme Curriculum

ESG and Labour Rights Compliance Training Course

Introduction

Environmental, Social, and Governance (ESG) and Labour Rights Compliance have become critical business priorities across global supply chains, manufacturing industries, financial institutions, agribusiness, logistics, energy, construction, and service sectors. Companies failing to meet ESG and labour compliance obligations face growing risks including reputational damage, investor scrutiny, supply chain disruptions, legal penalties, ESG rating downgrades, and restricted market access.

ESG and Labour Rights Compliance Training Course equips participants with practical tools, risk mitigation strategies, sustainability reporting skills, and ethical business practices required to build resilient and

responsible organizations. The course integrates emerging global trends such as climate governance, human rights due diligence, responsible procurement, social impact measurement, carbon accountability, ethical auditing, gender equity, stakeholder engagement, and corporate sustainability transformation.

Course Duration

5 Days

Course Objectives

1. Understand global ESG frameworks, sustainability standards, and labour rights regulations.
2. Implement Human Rights Due Diligence (HRDD) systems across operations and supply chains.
3. Develop ESG risk assessment and compliance monitoring mechanisms.
4. Strengthen workplace health, safety, and occupational compliance programs.
5. Apply Environmental and Social Governance reporting and disclosure standards.
6. Enhance ethical sourcing and responsible procurement practices.
7. Identify modern slavery, forced labour, and child labour risks within supply chains.
8. Build Diversity, Equity, and Inclusion (DEI) compliance strategies.
9. Conduct ESG audits and labour rights compliance assessments.
10. Integrate climate resilience and carbon management strategies into operations.
11. Improve stakeholder engagement and social impact accountability.
12. Develop corrective action plans for ESG non-compliance and labour violations.
13. Align corporate sustainability initiatives with SDGs, UNGPs, and ESG investment expectations.
