

Financial Services for Market Traders & Street Vendors Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Financial inclusion is critical for empowering market traders and street vendors to access credit, savings, and insurance services that support business growth and economic resilience. Financial Services for Market Traders & Street Vendors Training Course provides practical insights into financial products, market-driven strategies, and risk management techniques tailored to small-scale traders, equipping participants with the knowledge to improve financial literacy, secure business financing, and optimize cash flow management.

Participants will explore digital payment solutions, microcredit structures, group lending methodologies, and insurance services relevant to informal and micro-enterprises. The course blends theory with practical case studies to help participants develop actionable strategies for business sustainability, enhance access to formal financial systems, and improve overall profitability and market competitiveness.
