

Gender and Media Representation Training Course

Professional Development Training Course Outline

Category	Gender Studies	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Gender and Media Representation training course is designed to critically explore the intersections of gender, media, and society. This program emphasizes inclusive storytelling, gender equity, and media literacy, empowering participants to identify and challenge stereotypes, bias, and underrepresentation in all forms of media. Through interactive workshops, case studies, and applied exercises, learners will gain practical skills in producing gender-sensitive content and fostering equitable media spaces.

In an era dominated by digital platforms, the course addresses trending issues such as misrepresentation, gendered narratives, diversity in media production, and social media influence on gender perception. Participants will examine the impact of media framing on public opinion and develop strategies to promote positive gender portrayals. With a blend of theoretical frameworks and applied methodologies, this course equips professionals, activists, and content creators with the tools to reshape media landscapes for inclusive and equitable representation.
