

Gender Equity in Development Projects Training Course

Professional Development Training Course Outline

Category	Gender Studies	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Gender equity is a cornerstone of sustainable development, ensuring that development projects are inclusive, fair, and impactful. Gender Equity in Development Projects Training Course equips participants with critical knowledge and practical tools to integrate gender equity across all stages of project design, implementation, and evaluation. Using evidence-based strategies, participants will learn to identify gender disparities, address systemic barriers, and foster inclusive participation to achieve equitable outcomes.

Participants will gain insights into global best practices, innovative frameworks, and participatory approaches that enhance the effectiveness of development initiatives. The training emphasizes transformative change by combining theoretical understanding with practical applications, case studies, and interactive exercises. By the end of the course, participants will be empowered to champion gender equity in development projects, ensuring social justice, economic empowerment, and sustainable impact.
