

Gender-Sensitive Labour Policies Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Gender-sensitive labour policies are essential for building equitable, inclusive, and productive workplaces in today's rapidly evolving global economy. These policies ensure that employment systems recognize and address the different needs, challenges, and opportunities experienced by all genders. By embedding principles of gender equality, diversity, inclusion, and social justice, organizations can reduce workplace discrimination, close gender pay gaps, and enhance workforce participation. In the era of ESG compliance, DEI frameworks, and sustainable development goals (SDGs), gender-responsive labour governance has become a strategic priority for governments, corporations, and international institutions.

Gender-Sensitive Labour Policies Training Course equips participants with the knowledge and tools to design, implement, and evaluate inclusive labour frameworks aligned with international standards such as ILO conventions and UN SDGs. It integrates policy analysis, workplace case studies, and practical tools to promote women empowerment, equal pay, parental leave equity, anti-harassment systems, and inclusive recruitment practices. Participants will develop the capacity to transform organizational culture, strengthen compliance systems, and promote sustainable workforce equity in both public and private sectors.
