

Impact Investors & DFIs Engagement Strategies Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Impact Investors & DFIs Engagement Strategies Training Course equips participants with practical knowledge and skills to effectively engage impact investors and development finance institutions (DFIs) for financing microfinance and financial inclusion programs. Engaging the right investors is critical for mobilizing capital, expanding operations, and achieving sustainable development goals. This course emphasizes strategies for relationship management, communication, and aligning program objectives with investor expectations.

Participants will engage in interactive workshops, hands-on exercises, and case studies to learn how to identify suitable investors, structure engagement strategies, and maintain long-term relationships. By the end of the course, participants will be able to implement investor engagement strategies that increase funding opportunities, enhance credibility, and strengthen program impact.
