

Media Relations for Road Safety Practitioners Training Course

Professional Development Training Course Outline

Category	Traffic Management & Road Safety	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In the fast-evolving landscape of road safety, effective communication is critical to saving lives and influencing public behavior. Media Relations for Road Safety Practitioners Training Course equips professionals with advanced strategies to engage the media, craft compelling narratives, and amplify road safety campaigns. Leveraging digital media trends, crisis communication, and evidence-based storytelling, this course empowers participants to maximize their outreach impact and foster public awareness and behavioral change.

Participants will gain hands-on experience in managing media relations, press releases, and social media campaigns while learning how to navigate high-pressure scenarios such as road accident crises and policy advocacy. By integrating real-world case studies, interactive exercises, and contemporary communication tools, this course ensures practitioners are not only media-ready but also capable of leading impactful road safety advocacy campaigns.
