### Course Introduction

In today’s dynamic and complex evaluation landscape, professionals must combine strategic negotiation, diplomacy, and analytical skills to influence outcomes and drive impact. Negotiation and Diplomacy in Evaluation Training Course equips participants with advanced techniques to navigate stakeholder relationships, manage conflicts, and foster collaborative decision-making in evaluation processes. Leveraging cutting-edge negotiation strategies, diplomatic communication, and evidence-based evaluation frameworks, this course ensures participants are prepared to lead high-stakes discussions with confidence and credibility.

Participants will gain practical, hands-on experience through real-world case studies, role-playing exercises, and interactive simulations that demonstrate how negotiation and diplomacy can optimize program evaluations. By integrating stakeholder mapping, cultural intelligence, persuasive communication, and conflict resolution strategies, learners will be able to secure stakeholder buy-in, negotiate resource allocation, and implement evaluation recommendations effectively. This course emphasizes actionable insights, empowering evaluation professionals to navigate challenges, mitigate risks, and enhance program impact.
