

Negotiation Skills for Sales and Claims Training Course

Professional Development Training Course Outline

Category	Insurance	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s competitive and dynamic business environment, mastering negotiation skills is critical for professionals in sales and claims management. Training Course on Negotiation Skills for Sales & Claims offers strategic insights and hands-on techniques tailored to help participants increase their deal-closing rates and achieve favorable outcomes. Designed for real-world application, this training enhances the ability to persuade, influence, and resolve conflicts professionally and ethically. With a focus on value-based selling and claims resolution, this course empowers learners to approach every negotiation with confidence and clarity.

Whether you're aiming to enhance client acquisition or navigate complex claims disputes, this course addresses the core competencies essential for driving results. From managing objections in sales to diffusing tension in claims discussions, participants will explore psychological tactics, communication frameworks, and decision-making strategies that turn negotiations into growth opportunities. The training incorporates live simulations, case-based learning, and expert-led facilitation for maximum impact.

Programme Curriculum

Negotiation Skills for Sales and Claims Training Course

Introduction

In today’s competitive and dynamic business environment, mastering negotiation skills is critical for professionals in sales and claims management. Negotiation Skills for Sales and Claims Training Course offers strategic insights and hands-on techniques tailored to help participants increase their deal-closing rates and achieve favorable outcomes. Designed for real-world application, this training enhances the ability to persuade, influence, and resolve conflicts professionally and ethically. With a focus on value-based selling and claims resolution, this course empowers learners to approach every

negotiation with confidence and clarity.

Whether you're aiming to enhance client acquisition or navigate complex claims disputes, this course addresses the core competencies essential for driving results. From managing objections in sales to diffusing tension in claims discussions, participants will explore psychological tactics, communication frameworks, and decision-making strategies that turn negotiations into growth opportunities. The training incorporates live simulations, case-based learning, and expert-led facilitation for maximum impact.
