

Net Promoter Score (NPS) - Design, Collection, action Training Course

Professional Development Training Course Outline

Category	Customer Service and Customer Experience	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's hyper-competitive business environment, customer experience (CX) drives growth, loyalty, and brand advocacy. The Net Promoter Score (NPS) has emerged as the gold standard for measuring customer satisfaction, loyalty, and advocacy. Net Promoter Score (NPS) - Design, Collection, action Training Course equips participants with actionable skills to design robust NPS frameworks, collect meaningful feedback, and implement data-driven strategies to enhance customer loyalty. By leveraging real-time analytics, predictive insights, and CX best practices, participants will learn to translate feedback into measurable business outcomes.

Through a blend of interactive workshops, case studies, and hands-on exercises, this course empowers professionals to embed NPS into their organizational DNA. Participants will master survey design, advanced segmentation, closed-loop feedback, and action planning, ensuring every customer interaction drives value, retention, and advocacy. By the end of the program, learners will confidently implement NPS strategies that improve customer experience, boost revenue, and strengthen brand reputation in a competitive market
