

Public Financial Management (PFM) and Good Governance Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Effective public financial management (PFM) and good governance are critical for ensuring transparency, accountability, and sustainable development within public institutions. Public Financial Management (PFM) and Good Governance Training Course is designed to equip participants with advanced knowledge and practical skills in financial management, policy implementation, and governance practices that drive efficiency in public service delivery. Participants will gain insights into modern tools, frameworks, and best practices that enhance fiscal discipline, optimize budget execution, and strengthen institutional integrity.

In today's rapidly evolving governance landscape, the demand for skilled professionals who can navigate complex financial systems and uphold ethical standards is higher than ever. This course emphasizes strategic planning, risk management, auditing, and regulatory compliance, empowering participants to implement effective public finance strategies and promote a culture of accountability. By integrating theoretical knowledge with real-world case studies, the training ensures participants leave with actionable skills that have immediate impact.

Programme Curriculum

Public Financial Management (PFM) and Good Governance Training Course

Introduction

Effective public financial management (PFM) and good governance are critical for ensuring transparency, accountability, and sustainable development within public institutions. Public Financial Management (PFM) and Good Governance Training Course is designed to equip participants with advanced knowledge and practical skills in financial management, policy implementation, and governance practices that drive efficiency in public

service delivery. Participants will gain insights into modern tools, frameworks, and best practices that enhance fiscal discipline, optimize budget execution, and strengthen institutional integrity.

In today's rapidly evolving governance landscape, the demand for skilled professionals who can navigate complex financial systems and uphold ethical standards is higher than ever. This course emphasizes strategic planning, risk management, auditing, and regulatory compliance, empowering participants to implement effective public finance strategies and promote a culture of accountability. By integrating theoretical knowledge with real-world case studies, the training ensures participants leave with actionable skills that have immediate impact.
