

Public Financial Management (PFM) in Post-Conflict and Emergency Situations Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Effective Public Financial Management (PFM) in post-conflict and emergency settings is critical for stabilizing economies, restoring governance, and ensuring equitable service delivery. Public Financial Management (PFM) in Post-Conflict and Emergency Situations Training Course provides participants with a comprehensive understanding of fiscal policy, budget execution, resource allocation, and transparency mechanisms tailored for fragile and emergency-affected environments. Through practical frameworks, case studies, and interactive learning, participants will acquire the skills necessary to rebuild financial systems, enhance accountability, and mitigate corruption risks in challenging contexts.

In addition, this course emphasizes resilience-oriented financial planning, donor coordination, and risk-sensitive budgeting to support reconstruction and sustainable recovery. Participants will explore innovative approaches to revenue mobilization, expenditure management, and financial reporting while addressing the unique challenges posed by political instability, humanitarian crises, and limited institutional capacity. The course integrates real-world examples to foster actionable insights, equipping practitioners to navigate complex post-conflict and emergency financial landscapes effectively.

Programme Curriculum

Public Financial Management (PFM) in Post-Conflict and Emergency Situations Training Course

Introduction

Effective Public Financial Management (PFM) in post-conflict and emergency settings is critical for stabilizing economies, restoring governance, and ensuring equitable service delivery. Public Financial Management (PFM) in Post-Conflict and Emergency Situations Training Course provides participants with a comprehensive

understanding of fiscal policy, budget execution, resource allocation, and transparency mechanisms tailored for fragile and emergency-affected environments. Through practical frameworks, case studies, and interactive learning, participants will acquire the skills necessary to rebuild financial systems, enhance accountability, and mitigate corruption risks in challenging contexts.

In addition, this course emphasizes resilience-oriented financial planning, donor coordination, and risk-sensitive budgeting to support reconstruction and sustainable recovery. Participants will explore innovative approaches to revenue mobilization, expenditure management, and financial reporting while addressing the unique challenges posed by political instability, humanitarian crises, and limited institutional capacity. The course integrates real-world examples to foster actionable insights, equipping practitioners to navigate complex post-conflict and emergency financial landscapes effectively.

Course Objectives

1. Understand the fundamentals of PFM in post-conflict and emergency settings.
2. Analyze fiscal risks and revenue mobilization strategies in fragile contexts.
3. Implement transparent and accountable budget execution processes.
4. Strengthen public expenditure management for emergency response.
5. Apply innovative approaches for donor coordination and aid management.
6. Promote anti-corruption mechanisms and financial integrity.
7. Enhance local governance and fiscal decentralization in fragile states.
8. Develop capacity for emergency financial planning and reporting.
9. Evaluate post-conflict recovery financing frameworks.
10. Integrate gender-sensitive and inclusive budgeting strategies.
11. Conduct risk assessments and internal controls in unstable environments.
12. Utilize technology for monitoring, auditing, and reporting financial activities.
13. Foster resilience through sustainable fiscal policies and recovery planning.

Target Audiences

1. Government officials in finance ministries.
2. Budget officers and financial controllers.
3. Anti-corruption and audit institutions.
4. International development partners and NGOs.
5. Donor agencies and aid organizations.
6. Public policy analysts and planners.
7. Local government officials in post-conflict regions.
8. Emergency management and humanitarian finance practitioners.

Course Duration: 5 days

Course Modules
