

Public Sector Financial Resilience and Recovery Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's dynamic global economy, public sector institutions face increasing challenges from fiscal shocks, economic downturns, and unexpected crises such as pandemics, climate change, and geopolitical instability. Building financial resilience and ensuring sustainable recovery strategies have become critical for governments, development agencies, and public institutions to safeguard essential services and promote inclusive growth. This course provides a comprehensive roadmap to strengthen financial systems, implement sound public financial management (PFM) practices, and build robust mechanisms for risk management, accountability, and transparency in public resource utilization.

Public Sector Financial Resilience and Recovery Training Course equips participants with cutting-edge skills in financial planning, budget optimization, fiscal risk analysis, debt sustainability, crisis response mechanisms, and recovery frameworks. With case-based learning, practical strategies, and global best practices, the training prepares leaders and practitioners in the public sector to enhance institutional resilience, promote effective recovery, and foster long-term fiscal sustainability.

Programme Curriculum

Public Sector Financial Resilience and Recovery Training Course

Introduction

In today's dynamic global economy, public sector institutions face increasing challenges from fiscal shocks, economic downturns, and unexpected crises such as pandemics, climate change, and geopolitical instability. Building financial resilience and ensuring sustainable recovery strategies have become critical for governments, development agencies, and public institutions to safeguard essential services and promote inclusive growth.

This course provides a comprehensive roadmap to strengthen financial systems, implement sound public financial management (PFM) practices, and build robust mechanisms for risk management, accountability, and transparency in public resource utilization.

Public Sector Financial Resilience and Recovery Training Course equips participants with cutting-edge skills in financial planning, budget optimization, fiscal risk analysis, debt sustainability, crisis response mechanisms, and recovery frameworks. With case-based learning, practical strategies, and global best practices, the training prepares leaders and practitioners in the public sector to enhance institutional resilience, promote effective recovery, and foster long-term fiscal sustainability.

Course Objectives

1. Strengthen public financial management systems for resilience and recovery.
2. Apply risk-based budgeting techniques to manage fiscal uncertainty.
3. Enhance public sector accountability and transparency in financial reporting.
4. Develop crisis-responsive financial strategies for sustainable recovery.
5. Implement debt management frameworks to reduce fiscal vulnerability.
6. Integrate digital financial tools for enhanced efficiency and resilience.
7. Apply scenario planning and forecasting in public finance.
8. Strengthen intergovernmental fiscal relations for shared resilience.
9. Assess and mitigate fiscal risks from shocks and emergencies.
10. Promote inclusive and sustainable public investments.
11. Align public finance recovery strategies with Sustainable Development Goals (SDGs).
12. Apply global best practices in public sector financial resilience.
13. Strengthen institutional capacity for long-term fiscal recovery and stability.

Target Audience

1. Government financial managers.
2. Public sector policymakers.
3. Auditors and accountants in government institutions.
4. Development finance officers.
5. Budget and planning directors.
6. Officials from Supreme Audit Institutions (SAIs).
7. Public sector economists and analysts.
8. International development practitioners.

Course Duration: 5 days
