

Sustainable Industrial Relations Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Sustainable Industrial Relations is a strategic framework that fosters harmonious employer–employee relationships, enhances workplace productivity, and ensures long-term organizational stability through ethical dialogue, compliance, and participatory governance. In today’s rapidly evolving labor landscape shaped by globalization, digital transformation, ESG compliance, and workforce diversification, organizations must adopt proactive industrial relations strategies that minimize conflict while maximizing collaboration. Sustainable Industrial Relations Training Course equips participants with modern tools for labor law compliance, collective bargaining, dispute resolution, and employee engagement systems aligned with sustainable development goals.

The course emphasizes future-ready industrial relations systems that integrate social dialogue, labor rights protection, grievance handling mechanisms, and productivity-linked cooperation models. Participants will gain practical insights into managing unions, preventing labor disputes, strengthening HR–union partnerships, and building resilient organizational cultures. Through real-world case studies and applied learning, the program supports the development of ethical, inclusive, and sustainable workplace ecosystems that align with global best practices and evolving labor market expectations.
