

Trade Unions and Sustainable Economic Development Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Trade unions are increasingly becoming strategic drivers of inclusive economic growth, social justice, labor market transformation, green jobs, digital workforce adaptation, and sustainable development across emerging and developed economies. Trade Unions and Sustainable Economic Development Training Course equips practitioners with modern strategies for strengthening worker representation, collective bargaining, labor rights compliance, social dialogue, and sustainable economic participation within rapidly evolving global economies.

The course integrates contemporary frameworks including Sustainable Development Goals (SDGs), Future of Work, Just Transition, Green Economy, Artificial Intelligence in workplaces, Gender Equality, Youth Employment, Digital Labor Platforms, Social Protection Systems, Climate Finance, Industrial Relations Innovation, and Economic Empowerment Models. Through practical case studies, policy simulations, and strategic planning exercises, participants will develop the skills required to position trade unions as catalysts for economic resilience, workforce sustainability, ethical governance, social inclusion, productivity enhancement, and sustainable industrial development.

Programme Curriculum

Trade Unions and Sustainable Economic Development Training Course

Introduction

Trade unions are increasingly becoming strategic drivers of inclusive economic growth, social justice, labor market transformation, green jobs, digital workforce adaptation, and sustainable development across emerging and developed economies. Trade Unions and Sustainable Economic Development Training Course equips practitioners with modern strategies for strengthening worker representation, collective bargaining, labor rights compliance, social dialogue, and sustainable economic participation within rapidly evolving global economies.

The course integrates contemporary frameworks including Sustainable Development Goals (SDGs), Future of Work, Just Transition, Green Economy, Artificial Intelligence in workplaces, Gender Equality, Youth Employment, Digital Labor Platforms, Social Protection Systems, Climate Finance, Industrial Relations Innovation, and Economic Empowerment Models. Through practical case studies, policy simulations, and strategic planning exercises, participants will develop the skills required to position trade unions as catalysts for economic resilience, workforce sustainability, ethical governance, social inclusion, productivity enhancement, and sustainable industrial development.

Course Duration

5 days

Course Objectives

By the end of the training, participants will be able to:

1. Analyze the role of trade unions in sustainable economic development and inclusive growth.
2. Strengthen collective bargaining strategies using modern labor market intelligence.
3. Promote green jobs, climate adaptation, and Just Transition frameworks.
4. Apply digital transformation and AI workforce governance in labor relations.
5. Enhance social dialogue and stakeholder engagement mechanisms.
6. Develop strategies for youth employment and future workforce readiness.
7. Promote gender equality, diversity, equity, and workplace inclusion.
8. Improve occupational health, safety, and worker wellbeing systems.
9. Integrate ESG principles and corporate sustainability standards into labor advocacy.
10. Design effective social protection and economic empowerment programs.
11. Address challenges of the gig economy and digital labor platforms.
12. Strengthen union leadership in policy advocacy and economic governance.
13. Build resilient labor institutions supporting decent work and economic sustainability.

Target Audience

1. Trade Union Leaders and Officials
2. Labor Relations and Industrial Relations Officers
3. Human Resource and Workforce Managers
4. Government Labor and Employment Officers
5. NGO and Civil Society Organizations
6. Development Practitioners and Economists
7. Youth and Women Labor Advocates
8. Policy Makers and Social Protection Specialists
