

Training Course on Advanced Human Resource Management in Education

Professional Development Training Course Outline

Category	Educational Leadership and Management	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s dynamic educational environment, Advanced Human Resource Management (HRM) plays a pivotal role in enhancing institutional performance, talent development, and educational excellence. This course is designed specifically for educational leaders, administrators, and HR professionals. Training Course on Advanced Human Resource Management in Education focuses on strategic workforce planning, talent acquisition, teacher retention strategies, performance management systems, and digital transformation in HRM. Participants will gain actionable insights and skills to develop robust HR practices that foster a thriving academic culture and drive sustainable growth.

Education sectors globally are navigating complex challenges, including staff shortages, technological integration, equity in hiring, and leadership succession planning. This training course empowers participants to align HR functions with institutional goals, implement data-driven HR practices, and leverage AI and HR analytics to optimize decision-making. With real-world case studies, interactive modules, and evidence-based strategies, learners will leave with the competencies needed to lead the future of HRM in education.
