

Training course on Commercial Contracts: Drafting and Negotiation

Professional Development Training Course Outline

Category	Legal Institute	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Training Course on Commercial Contracts: Drafting and Negotiation is designed to provide participants with a comprehensive understanding of the principles and practices involved in drafting and negotiating commercial contracts. As businesses increasingly rely on well-structured agreements to govern their relationships and transactions, mastering the art of contract drafting and negotiation is essential for legal professionals, business executives, and contract managers. This course addresses key topics in commercial contracts, equipping participants with the tools to create effective agreements and negotiate favorable terms. Throughout this course, attendees will explore critical concepts such as contract formation, essential clauses, risk management, and negotiation strategies. The curriculum integrates theoretical knowledge with practical applications, featuring case studies, discussions, and hands-on exercises that encourage active engagement with the material. By the end of the training, participants will be well-prepared to draft and negotiate commercial contracts effectively.
