

Training Course on Competency-Based Interviewing

Professional Development Training Course Outline

Category	Human Resource Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's competitive talent market, mastering competency-based interviewing (CBI) is crucial for HR professionals, hiring managers, and organizational leaders seeking to attract top-tier talent. Training Course on Competency-Based Interviewing is designed to equip participants with industry-relevant skills to conduct structured, behavioral-based interviews that align candidate competencies with organizational goals. With a focus on evidence-based recruitment practices, the course fosters decision-making rooted in predictive hiring analytics and interview best practices.

The training emphasizes real-world applications, offering HR professionals, recruitment agencies, and talent acquisition specialists the ability to build structured interview guides, assess behavioral indicators, and avoid unconscious bias. By incorporating AI-enhanced interview analytics and inclusive hiring frameworks, this course ensures that participants are well-versed in next-generation hiring techniques that support sustainable organizational growth.
