

Training Course on Digital Storytelling and Media Literacy Leadership

Professional Development Training Course Outline

Category	Educational Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s digital-first world, digital storytelling and media literacy leadership are essential for educators, community leaders, and digital communicators. Training Course on Digital Storytelling and Media Literacy Leadership equips participants with cutting-edge tools and strategies to master the art of narrative through multimedia while critically evaluating media sources and messages. By combining creative communication techniques, digital media production, and critical thinking, participants will be empowered to lead media literacy initiatives across educational, corporate, and social platforms.

This course is designed to foster 21st-century leadership skills, enhance visual literacy, and cultivate digital citizenship. Through immersive, hands-on learning experiences, learners will explore how storytelling can drive engagement, advocacy, education, and cultural transformation. The training also emphasizes inclusive media practices, ethical content creation, and strategic storytelling—crucial for influencing public discourse and promoting positive change in both local and global communities.
