

Training Course on Performance Coaching for Underperforming Staff

Professional Development Training Course Outline

Category	Educational Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s competitive work environment, underperformance is a challenge that many organizations face. Training Course on Performance Coaching for Underperforming Staff empowers managers, team leaders, and HR professionals with the tools to identify, understand, and transform underperformance into productivity. With a focus on employee engagement, behavioral coaching, data-driven performance management, and constructive feedback, this course fosters a culture of continuous improvement and accountability.

Designed with practical application in mind, the course utilizes real-life case studies, actionable coaching models, and evidence-based leadership strategies. Through hands-on learning and reflective practices, participants will gain the confidence and competence to drive positive change, reduce turnover, and enhance organizational performance. This course positions coaching not as a punitive action but as a strategic intervention for growth.
