

Training Course on Strategic Recruitment and Selection

Professional Development Training Course Outline

Category	General Training	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's competitive and talent-driven market, Strategic Recruitment and Selection is no longer just an HR task—it is a business imperative. Training Course on Strategic Recruitment and Selection equips HR professionals, talent acquisition teams, and hiring managers with the tools, techniques, and strategies necessary to attract, assess, and hire top-tier talent. Through a blend of theory and hands-on practice, participants will explore the best practices in strategic sourcing, employer branding, competency-based interviewing, and diversity hiring to make impactful hiring decisions that align with organizational goals.

With a focus on data-driven decision-making, modern recruitment technologies, and legally compliant hiring processes, this course enables organizations to build robust talent pipelines and reduce turnover. Designed by industry experts, the course bridges the gap between traditional hiring practices and contemporary workforce demands, ensuring that participants are well-versed in cutting-edge recruitment trends and techniques.
