

Training Course on Workforce Planning, Talent Management and Saudisation

Professional Development Training Course Outline

Category	Human Resource Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In the rapidly evolving landscape of the Middle East, especially within the Kingdom of Saudi Arabia, aligning **workforce strategies** with **Vision 2030** is critical for national and organizational success. This course delivers advanced insights into **workforce planning, talent acquisition, human capital optimization, and Saudisation strategies**, equipping professionals to effectively navigate regulatory demands while fostering a sustainable and productive workforce.

Participants will gain cutting-edge tools and methodologies for implementing **data-driven talent management systems**, enabling them to identify future workforce needs, improve employee engagement, reduce turnover, and ensure compliance with Saudisation quotas. This course integrates global HR best practices with local compliance requirements to position organizations for both operational excellence and national alignment.

Programme Curriculum

Training Course on Workforce Planning, Talent Management & Saudisation

Introduction

In the rapidly evolving landscape of the Middle East, especially within the Kingdom of Saudi Arabia, aligning **workforce strategies** with **Vision 2030** is critical for national and organizational success. This course delivers advanced insights into **workforce planning, talent acquisition, human capital optimization, and Saudisation strategies**, equipping professionals to effectively navigate regulatory demands while fostering a sustainable and productive workforce.

Participants will gain cutting-edge tools and methodologies for implementing **data-driven talent management systems**, enabling them to identify future workforce needs, improve employee engagement, reduce turnover,

and ensure compliance with Saudisation quotas. This course integrates global HR best practices with local compliance requirements to position organizations for both operational excellence and national alignment.
