

Women Empowerment and Leadership in Cooperatives Training Course

Professional Development Training Course Outline

Category	Cooperative Societies	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's rapidly evolving socio-economic landscape, women's empowerment is more than a goal—it's a global necessity. Training Course on Women's Empowerment and Leadership in Cooperatives is designed to equip women with the tools, mindset, and strategic competencies to take on leadership roles within cooperative organizations. Fostering gender equality, inclusive decision-making, and entrepreneurial innovation, this course empowers participants to break traditional barriers and lead sustainable change in their communities.

The curriculum blends leadership development, cooperative governance, and financial literacy, ensuring that women are not just included but are leading the transformation of cooperatives across sectors. With a strong emphasis on skills-building, mentorship, social innovation, and resilience training, this course is aligned with SDG 5 (Gender Equality) and the ILO's cooperative principles, making it highly relevant, globally informed, and deeply impactful.

Programme Curriculum

Women Empowerment and Leadership in Cooperatives Training Course

Introduction

In today's rapidly evolving socio-economic landscape, women's empowerment is more than a goal—it's a global necessity. Women Empowerment and Leadership in Cooperatives Training Course is designed to equip women with the tools, mindset, and strategic competencies to take on leadership roles within cooperative organizations. Fostering gender equality, inclusive decision-making, and entrepreneurial innovation, this course empowers participants to break traditional barriers and lead sustainable change in their communities.

The curriculum blends leadership development, cooperative governance, and financial literacy, ensuring that women are not just included but are leading the transformation of cooperatives across sectors. With a strong emphasis on skills-building, mentorship, social innovation, and resilience training, this course is aligned with SDG 5 (Gender Equality) and

the ILO's cooperative principles, making it highly relevant, globally informed, and deeply impactful.
